Attached is the final fact sheet, note to residents, and desk statement. Rich F. is going to make copies and drive back to Dimock and then you all will be able to start working.

There is also a set of Q&As that are NOT FOR DISTRIBUTION to the public---they are internal and for your background information only to assist you in answering questions.

The message is still the same--step-by-step---gathering information

Rich, here's the final fact Sheet for printing and copying. Feel free to start the door-to-door survey once you drive over to Dimock.

Note that the Qs/As are not yet final but if you need to get on the road we can send them to you electronically. They are not to be handed out anyway, so they could just be distributed to your team of OSCs and CICs for their reading/understanding of messages before they knock on any doors. Any questions, call myself or Helen. Thanks and good luck, den.
